PREFACE TO THE BIBLICAL SERIES

The purpose of these books on the Bible is to give to the laity, men as well as women, an opportunity to introduce into their daily lives a systematic study of Holy Scripture. Nor will the books be found less useful to those of the clergy who feel the need of direction in their reading. Each volume constitutes a unit, and is planned as a guide to eight months' work of an hour or more a day. Specialists in each department have been secured, who will guarantee scholarly and sound interpretation. They will also endeavour to present their subjects in the most effective and profitable way which is consonant with the best methods of leading the student to diligent work, careful thinking, and thoughtful expression.
