JUST A WORD

THIS little book is simply an assemblage of good stories of fairies and other little "earth people," for children to read in school. Some are old friends that the children know from hearing real fairies tell them. Others will be new to some at least.

It is the hope of the writer of the book that it will bring cheer into some schoolrooms and will help some live teachers in their efforts to make reading not a task, but a joy.

It is hoped also that it may find its way into many homes, bringing with it light and delight.

KATE FORREST OSWELL.
