NEW YORK : E. P. DUTTON AND COMPANY

1919

CONTENTS

CHAPTER	PAGE
I. The first developments in the Balkan seat of war and the able manœuvre which gave victory to the Serbs on the Jadar	1
II. Serbia's second victory : Battle of the Kolubara and the brilliant manœuvre by which the Austrians were once more outwitted	13
III. The third Serbian Campaign as viewed in its true light ; viz., as a successful operation for the evacuation of a partly surrounded position	23
IV. The character and real effects of the Italian operations	35
(V. The situation at the time of the Verdun operations and the character of the French action in regard to the said situation	49
(VI. The distinct stages of the German action at Verdun and the respective character of the various efforts of the enemy in that quarter	65
VII. The German policy at sea viewed in connection with the land war and the British organisations	75
VIII. The contrasting conditions of strategy and siege-war operations with regard to the military situation in France	93
IX. The standpoint from which the siege operations should be viewed, and of the difference between local blows and their outside effects	103
X. The Russian operations of 1916 viewed with regard to their true aim and character and the reason of their negative or abortive results	113

CHAPTER	PAGE
XI. The erroneous assumption and fallacies by which Rumania was made to enter the war, and the side-operations which opened her ill-fated campaign	131
XII. The Rumanian Campaign and the real causes of the disaster	147
XIII. The real object and character of the operations in France in 1916-17 and the policy and mental conditions which annulled the effects of the victory	161
XIV. The Somme operations of 1916 viewed in their technical aspect and in relation to the political situation	173
XV. Of the various effects of the operations in France in 1916-17 and of other matters connected with them	183
Appendix	197

FOREWORD

The partition of this work into "phases" is not to be confused with that of the war. With regard to the war itself, or rather the campaign in France, the reader is referred to Phase I., Ch. I.
