## PREFACE

THE first four chapters of this book are based on a dissertation submitted at the Fellowship Examination of Trinity College, Cambridge, in 1891. The fourth and fifth chapters, nearly in their present form, were published in *Mind* (New Series, Nos. 1, 2, 8, and 10). A part of the second chapter appeared in the *Revue de Métaphysique et de Morale* for November 1893.

In quoting from the *Smaller Logic* and the *Philosophy of Spirit*, I have generally availed myself of Professor Wallace's valuable translations.

I am most deeply indebted to Professor J. S. Mackenzie, of University College, Cardiff, for his kindness in reading the proof-sheets of these Studies, and in assisting me with many most helpful suggestions and corrections.

The changes in the second edition are not numerous. When they are more than verbal, I have called attention to them in notes.

J. E. McT.

December, 1921.
