## FOREWORD

**O**F the many preachers and lecturers who come and go at Harvard University during the collegiate year, no one is more sure of a warm welcome and a more appreciative hearing than is Dr. Wilfred T. Grenfell, the Labrador missionary physician. Two of his addresses in recent years stand out with peculiar distinctness. One undertook to answer the question: **What Will You Do With Jesus Christ?** This was published in book form not long after its delivery. A year later in

the same place Dr. Grenfell reversed his earlier question and asked his auditors to consider: **What Can Jesus Christ Do With Me?** This second address is now given to the public in a little volume which may serve as a companion to its predecessor.
