**ROMANISM,  
THE DANGER AHEAD.**

By A. J. GROVER.

---

The writer has given to the people of America statements of facts and figures which they will do well to reflect upon. "Romanism has votes to be cast as a unit. These votes are necessary in national elections, and in most local elections, to party success; whichever party will promise to do most for Romanism, will get them. Here lies the danger. As in the days when slavery ruled, everybody interested in the success of a party caters to Romanism. The national policy as to slavery almost cost the life of the republic. There is ten times as much danger to our free institutions from Romanism now, that there was from slavery in 1851."

ESTABLISHING THE HIGH CHARACTER AND STANDING OF  
PASTOR CHINIQUY WHEN IN THE CHURCH OF ROME.

**M**R. Chiniquy is one of the most conspicuous champions of Protestantism of the present day. He was invited to Scotland by her leading ecclesiastics to take part in the Tercentenary of the Reformation, and to England in later years, when all her leading Protestants stood forth to honor the Emperor William of Germany and Prince Bismarck for their noble resistance to Papal pretensions to authority in Germany. He then, in 1874, addressed the great gathering in Exeter Hall, over which Lord Russell presided; and afterwards, for six months, lectured throughout England on
