TALES OF ISLANDS

OR

THE PACIFIC OCEAN.

CHAPTER I

About the Pacific Ocean.

I HAVE told my little readers about America, Europe, Africa and Asia. These are called the four quarters of the globe. I have somewhere promised to tell them about the islands in the Pacific ocean.

This ocean is the largest on the globe, and there are a multitude of islands scattered throughout its surface. Many of these are exceedingly beautiful, and they are all interesting. Some of them enjoy a climate of per-

What are called the four quarters of the globe? What is the largest ocean on the globe? Give a general description of the islands in the Pacific ocean.
