TIMOTHY LEARY

-4-

*"This is not going to be a volume of memoirs about my own life. Therefore I am not going to recount the truly amusing details of my arrest, which was like no other. That night the SMERSH officers gave up their last hope of being able to make out where we were on the map—they had never been able to read maps anyway. So they politely handed the map to me and asked me to tell the driver how to proceed to Central Intelligence at army headquarters. I, therefore, led them and myself to that prison, and in gratitude they immediately put me not in an ordinary cell but in a punishment cell."*

Aleksandr L. Solzhenitsyn

*"We've got the greatest system in the world;  
we've just got to find a way to make it work."*

Nelson Rockefeller

The purpose of “Life” is

S. M. I<sup>2</sup>. L. E.

Space Migration

Intelligence Increase

Life Extension

Since

No one can allow the game

To become bigger than

Hir concept of the Game

(what is not imprinted  
is not real to the  
primate brain)

Therefore

Let us define the game

as large

fast

intense

precise

as possible .....

Unlimited Space

Unlimited Time

and

Unlimited Intelligence to enjoy same.

S.M.I<sup>2</sup>. L.E.
