MARKS AN EPOCH IN THE DEVELOPMENT
OF SOCIAL WORK

PREFACE

Most writers who disclaim thoroughness are prone to describe their work as an outline, a sketch, or an introduction. But the chapters of this book are more like spot-lights intended to make a few points clear and leaving many associated topics wholly in the dark. Possibly such isolated glimpses may serve better than a clear outline to suggest the interest of the whole topic. At any rate, that is my hope.

Part of the same material has been used in lectures given at the Sorbonne in the early months of 1918 and published by Crès & Cie. under the title of *Essais de Médecine Sociale*.

CONTENTS

INTRODUCTION: HISTORICAL DEVELOPMENT OF SOCIAL ASSISTANCE IN MEDICAL WORK	vii
---	-----
