## PREFACE

The explanation given for the lessons embodied in Course A of *Methods of Teaching Primary Grades*, holds good also for lessons contained in Course B. The hope is entertained that this volume will be of further aid in the early religious instruction of the child.

Attention is here called to the necessity of weaving the ethical lessons into the Biblical story in such a way, that the former becomes of one piece with the latter. The parent as well as the teacher might use this publication profitably in the education of the child—their common task.

The Author's thanks are herewith again expressed to Dr. Henry Berkowitz, Chancellor of the Jewish Chautauqua Society, and to Dr. William Rose-nau, Dean of the Correspondence School, for much valuable assistance given in the preparation of this work.
