PREFACE.

THIS little Volume is intended to supply—what has been found, by the Writer, in occasional visits to Stratford, to be hitherto needed there—a Guide-Book which, while shunning diffuseness, shall furnish to the Venerator of Shakspeare a brief Memorial directing him particularly to those localities which can never be disassociated from the Poet's name; but which, at the same time, shall not omit due mention of all else deserving notice within and near that interesting Town.

G. M.

BRIDGE-STREET,

EVESHAM, 1847.
