HISTORY OF SANDWICH AND BOURNE. Plymouth Records.

At a Court of Assistants held
the third of Aprill, 1637, in
xijth Yeare of the Raigne of
our Sauraigne Lord, Charles,
by the Grace of God of Eng-
land, Scotland, France, &
Ireland Kinge, Defendor, &c.

Defendor of the Fayth, &c.,
the fourteenth.

An Answers to the Propositions made
by Mr. Leveridge & others, of Sandwich,
concerning the Lande there.

Pro: 1. Whether the vnder-takers haue
a full guilt of the lands at Sandwiche,
or whether a conditional graunt onely,
for the setting of such a convenient
number there that may be usefull for
the common wealth, & cheifly sitt for
church fellowship?

Ans: To the first we answer, for yor
terme of vnder-takers, we rather put
instead thereof commities, as suting
more properly with the relation twixt
them and vs, their graunt being condi-
tional, and not absolute; and the trust
committed to them being for the ease
of the goument, and more convenient
accomodation of such people as shalbe
qualified according to the condition
and intent of the graunt, and their
joynt promise.

Pro: 2. Whether such of them as are
still at Saugust shall haue any power
at all there, either to dispose of thinges,
or to possess any lands at all in case
they come not to inhabite?

Ans: To the second we answer nega-
tively; for when they made suite to
us, it was as a people streitened & pre-
tending remouall really wth all possible
conueniency.

Pro: 3. Whether it may not be thought
convenient to ad some others in their
stead to the rest in case they come not?
such as are of ye church there, or
neighbours of good report?

Ans: To the third we answer affirma-
tively, if need require, provided you
make choyce of such as the goument
shall approve of, for they are but com-
mitties.

Pro: 4. Whether they may substitute
any in their rooms, in case they be
necessarily called to be absent?

Ans: To the fourth we answer as to
the third.

It is also agreed by the Court that
those ten men of Saugust, viz, Ed-
mond Freeman, Henry Feake, Thomas
Dexter, Edward Dillingham, William
Wood, John Carman, Richard Chad-
well, William Almy, Thomas Tupper, &
George Knott shall have liberty to
view a place to sitt down & have suffi-
cient lands for three score families
vpon the conditions propounded to
them by the Governour and Mr. Wins-
lowe

6 March, 1638 — Mr. John Vincent is
elected constable for Sandith, and was
sworne to seane in the said office from
this Court to the end of the next gover-
ment, viz, for a yeare and a quarter.

It is agreed vpon by the Court, that
Captaine Standish and Mr. John Alden
shall, with all convenient speede, goe
to Sandith, and set forth their bounds
of the lande graunted to them.

An Inquisition taken at New
Plymouth aforesain, at the
Genall Court there held, the
fifth Day of June, (1638) in
the Yeare of our Sauraigne
Lord, Charles, by the Grace
of God of England, Sootland,
France, and Ireland Kinge,

Pro: 5. Whether if this power be abused, how it may be reformed?

Ans: To the fift, as abuses shall arise vpon due complaint, the magistrate must do justice, as in other cases.

Pro: 6. Whether in particuler it be not an abuse of the power in case they should monopolize the cheife places of conueniency for lands, woods, meadows, &c., to the prejudice of the towne in generall?

Ans: To the sixt we answer, such the case may be, and the damage so great to the whole as not to be suffered; but if the committees be faythfull and able of estate, their paynes will not be small. Now their estates must be provided for, and their paynes will require more than ordinary accomodation.

To the queere in the letter whether two townships, &c., wee answer we made the graunt of the lands to one; neither can there be any other without the allowance of the goument; but if the land farr off be disposed of for farmes to men of estate, we see no cause of dislike.

4 September, 1638. It is ordered by the Court, that every man shall pay xij s swine for euery swyne he hath kept, & were neuer ringed before this Court.

Sandwich. All the rest of the towne is to be fynyed in like manner for their swine not ringed.

Richard Burne, 3 pigs
vringed, xviii pence

John Carman, j sowe & j piggs
vringed xij pence

Thom. Tupper, 5 swine
vringed v pence

Thom. Armitage, 2 swine
vringed li pence

There was viii shillings, vi pence, repayd to Carman, Tupper & Armitage.

4 December, 1638. Edward Freeman, Georg Slawson, John Dingley, Richard Kerby, Peter Gaunt, Mr. Stutely, of Sandwich, being defectiue in armes, fined x shillings a peece.

31 August, 1639. John Blakemore allowed to exercise the inhabitants of the towne of Sandwich in the use of armes.

Georg Allen admitted freeman, & after also sworn constable of Sandwich for the re-maynder of this yeare.

Whereas, by complaint, it is very probable that diuers of the committees of Sandwich haue not faythfully discharged that trust reposed in them, by receiuing into the said town diuers persons vnfit for church societie, which should haue bene their cheife care in the first place, and haue disposed the greatest part of the lands there already, and to very few that are in church societie or fit for the same, so

that without speedy remedy our cheif-est end will be vtterly frustrate,—these are to require such of the committees as are herein faulty to appeare at the next Court of Assiatants, to answer the complaint, and in the meane tyme not to dispose of any more lauds there, without further order from the Court, nor make sale nor convey any of their lands they haue assumed to themselves to any person.

The xxvth September, 1639. Memorandum: that Mr. Henry Feake, of Sandwich with and by the consent of Edmond Edwards, his servant, hath assigned and made ouer vnto John Barnes, of Plym, all the residue of the terme which by indenture the said Edmond is to serue the sd. Mr. Feake, to serue it forth with the said John Barnes, the said John Barnes fynding vnto the said Edmond meate, drinke, lodging, & washing, during the terme; and instead of appaerl, pay him for the first three pounds sterl., and for euery yeare after three pounds ten shillings sterl., during the sd terme; & in theud thereof, double appaerl him with one suite for Lords dayes, & another for workeing dayes, & pay him six pounds sterl.

3 October, 1639. At a meeting at Sandwich the 3d of October, 1639, wherein Mr. Thomas Prence and Captaine Standish were appointed by the goument to heare and determine all differences and controuersies amongst the committees and inhabits of the saide towne of Sandwich.

Whereas Joseph Winsor hath a lott in the towne of viii pole broad, & xij pole long, or thereabouts, wch he purchased of Thom Shillingsworth, wch was Thom Hamptons, deceased, and that the place is fit for a publike vse, it is ordered, that the towne shall haue it for other use, they giueing the sd Joseph Winsor as much as the same is worth; and in the meane season the sd Winsor to keepe his possession thereof vntill he be puided for elsewhere.

Forasmuch as the neck of land called Moonscaulton is by all or most pt of the inhabitants adjudged to be fit for breeding vp yeong cattell, it is concluded and agreed vpon by the genall couent of the inhabits of Sandwich, that the said neck of land called Moonscaulton shalbe reserved to the towne as a common, for the breeding of their yeong cattell, and not to be appropriated to any mans particuler, without consent of the whole towne, and approbacon of the gount, saue that the wood therevpon shalbe free for all to take of, puided it be without wast and spoyle thereof.

The like is concluded and agreed vpon

for the other neck of land called Shaume Neck, lying betwixt the Rivers of Shaume & Manusousetts, to be reserved for a comon for the towne, and not to be appropriated to any mans particuler without consent of the whole towne, and approbacion of the goument, saue that the wood therevpon shalbe free for all to take thereof, puided it be without waste & spoyle thereof.

It is also concluded & agreed vpon both by the comitees & other the inhabits of Sandwich, that for the redressing of the negligencie of the comitees in recoueing into the towne many inhabits that are not fit for church societie, & for preventing of like euell for ensuing tyme, it is ordered, that none hereafter shalbe admitted into the towne, or haue lands assigned them by the comitees, without consent & approbacion of Mr. Leverich & the church first had & obtained. And likewise that such of the now inhabits as are disposed to sell their estates and dept the town, they shall not sell their labours to any person except he be generally approoued of by the whole towne.

And lastly, for the preuenting of dangers, euells, and discords, that may happen in the disposell of lands, or other occasions within the towne, it is concluded and agreed vpon, that the towne shall from tyme to tyme make choyce of some one of the Assistants, and at present of Mr. Thom Prence, to be joynd wth the comitees to whom from tyme to tyme they shall haue recourse to aduise wth, and receiue direccions from, in all such occasions as hereafter shalbe needfull.
