EDITOR'S INTRODUCTION

To preserve substantial uniformity in the books which appear in the series of *Iowa Chronicles of the World War*, the history of *The Red Cross in Iowa* by Mr. Fullbrook is published in two volumes — although the contents of the two books present an unbroken account of the Red Cross in Iowa during the World War.

Each volume is paged separately; but the chapters are numbered consecutively through the entire work, as are also the notes and references. At the end of each volume the notes and references follow the text to which they relate. A complete table of contents and a consolidated index, as well
