I find so much of goodness still,
In men whom men pronounce divine
I find so much of sin and blot
I hesitate to draw the line,
Between the two—when God does not."*

PREFACE

SOME of the "Annals" set forth in the following pages originally appeared in the columns of the *Echo*. A desire having been expressed in several quarters for their republication, and the Editor having readily given permission, these have been revised. Several chapters—equal to about one-half the volume—have been added, and are now published for the first time.
