THE following story was originally published in "The Gentleman's Magazine," for the year 1851, and now appears as a separate publication for the first time: corrected throughout and enlarged with such new matter as my own diligence, and the kindness of friends, has enabled me to bring together. It must be read as a serious truth, not as a fiction—as a biography, not as a romance. It has no other foundation than truth, and will be heard of hereafter only as it adheres to history.

PETER CUNNINGHAM.
