THOMAS PERCIVAL

**PERCIVAL'S
MEDICAL ETHICS**

PERCIVAL'S
MEDICAL ETHICS.

Nulla enim vitæ pars, neque publicis neque privatis, neque
forensibus neque domesticis in rebus, neque si tecum agas quid,
neque si cum altero contrahas, vacare officio potest; in eoque
colendo sita vitæ est honestas omnis, et in negligendo turpi-
tudo.—(Cicero, *De Off.* i. 2.)

Author's Letter to E. C. Percival	19

AUTHOR'S PREFACE.

Origin of the work.—Suspension of it.—Farther progress of it.—Addition of supplementary Notes and Illustrations	21
---	----

CHAPTER I.

Of Professional Conduct relative to Hospitals, or other Medical Charities.

§ 1. Duties of hospital Physicians and Surgeons.—Tenderness.—Steadiness.—Condescension.—Authority	27
§ 2. Choice of their attendant Physician or Surgeon, how far allowable to hospital patients	ib.
§ 3. Feelings and emotions of patients, under critical circumstances, to be duly regarded	28
§ 4. No discussion concerning the nature of their case to be entered into before them	ib.
§ 5. Delicacy in many cases particularly required; and secrecy sometimes to be strictly observed	29

	Page
§ 6. Moral and religious influence of sickness to be cherished and promoted	29
§ 7. Propriety of suggesting to patients, under certain circumstances, the importance of making their last will and testament	30
§ 8. Parsimony in prescribing wine and drugs of high price reprobated	ib.
§ 9. Hospital affairs and occurrences not to be incautiously revealed	31
§ 10. Professional charges to be made only before a meeting of the Faculty	ib.
§ 11. Proper discrimination between the Medical and Chirurgical cases to be strictly adhered to	32
§ 12. What circumstances authorize new remedies and new methods of Chirurgical treatment	ib.
§ 13. Unreserved intercourse should subsist between the gentlemen of the Faculty; and an account of every case or operation which is rare, curious, or instructive, should be regularly drawn up and preserved	ib.
§ 14. Scheme for hospital registers	33
§ 15. Advantages arising from the scheme	34
§ 16. Close and crowded wards reprobated	35
§ 17. Establishment of a committee of the gentlemen of the Faculty considered	36
§ 18. Importance of frequent consultations, and the mutual assistance of the Physicians and Surgeons	ib.
§§ 19—22. Rules to be observed in consultations	ib.
§ 23. Rules to be observed respecting operations	38
§ 24. Hospital consultations ought not to be held on Sundays, except in cases of urgent necessity	39

CONTENTS.

	7 Page
§ 25. Stated days for operations often inconvenient and improper	39
§ 26. Dispensaries	ib.
§ 27. Asylums for female patients labouring under syphilis.—Rules to be observed in Lock Hospitals	41
§ 28. Asylums for insanity	43
§ 29. Modes of acquiring knowledge in the treatment of insanity recommended	44
§ 30. Treatment of lunatics—tenderness—indulgence	45
§ 31. Boldness of practice sometimes required in cases of mania.—Hospitals for small-pox—inoculation, &c. &c., require no professional duties not already enumerated	ib.

CHAPTER II.

Of Professional Conduct in Private or General Practice.

§ 1. Moral rules of conduct, the same with those to be observed towards hospital patients	47
§ 2. The strictest temperance required	ib.
§ 3. Proper conduct to be observed respecting prognostications, and the disclosure of circumstances to the friends of the patients	48
§ 4. Proper conduct respecting interference in cases under the charge of another	49
§ 5. Conduct to be observed towards a Physician formerly employed by the patient, but not now consulted	50
§ 6. Distinction between the provinces of Physic and Surgery to be steadily maintained	ib.

	Page
§ 7. Consultations to be promoted in difficult or protracted cases	51
§ 8. Special consultation.—Conduct of the Physician called in	52
§ 9. Theoretical discussions to be avoided in consultations	53
§ 10. Rules for consultations the same with those prescribed to the Faculty attending hospitals.—Seniority, how determined	ib.
§ 11. Education of Medical men—what influence it ought to have in the consideration of their brethren	ib.
§ 12. Punctuality in visits of consultation—further rules to be observed	54
§ 13. Visits to the sick not to be unseasonably repeated	55
§ 14. Rules to be observed with regard to fees, when a Physician officiates in the absence, or at the request, of another	ib.
§ 15. Importance of adopting some general rule respecting pecuniary acknowledgements	56
§ 16. Medical men and their families, when to be attended gratuitously	57
§ 17. Peculiar delicacy and attention often required in attendance upon them	58
§ 18. Attendance on clergymen in narrow circumstances	ib.
§ 19. Consultation by letter	59
§ 20. Rules to be observed in furnishing certificates	ib.
§ 21. Use of quack medicines to be discouraged	60
§ 22. The dispensing of nostrums reprobated	61
§ 23. Duty incumbent on individuals to promote the general reputation of the Faculty collectively	ib.

CONTENTS.

	9
	Page
§ 24. Rule to be observed in professional controversy and contention	62
§ 25. Giving advice gratis	ib.
§ 26. Rule to be observed in visiting the patient of another Physician	63
§ 27. Another case of the same	ib.
§ 28. Review of the treatment and progress of interesting cases recommended	ib.
§ 29. Moral and religious advice to patients	64
§ 30. Observance of the Sabbath by Medical gentlemen considered	65
§ 31. Co-operation of young and aged practitioners	ib.
§ 32. Period of senescence in Physicians considered	66

CHAPTER III.

Of the Conduct of Physicians to Apothecaries.

§ 1. Connection between the Apothecary and Physician	69
§ 2. The Apothecary often precursor to the Physician, and commonly acquainted with the diseases of the family	ib.
§ 3. Rule to be observed in the intercourse and co-operation of the Physician and Apothecary	71
§ 4. Duty and responsibility of the Physician	ib.
§ 5. Particular directions to be observed in visiting country patients with the Apothecary	72
§ 6. Profits of Apothecaries	73
§ 7. Physicians visiting the patients of Apothecaries in their absence, not approved of	74
