NOTE.

The exhibit of the Department of State occupies 2,800 square feet of floor and 1,416 square feet of wall space. The latter does not include the wall space obtained by the use of two four-wing panels, which contain 2,304 square feet, and swinging frames which contain about 1,200 feet, making a total of 4,920 square feet of wall space.

This is more space than has ever been occupied by the Department at any other exposition.

This catalogue was made by Miss Mary Greer, and the photographs from which the half-tone illustrations were made were taken by Dr. John R. Buck, to whom my sincere thanks are due. My thanks are also due to Maj. Frank H. Peabody and Maj. H. C. McArthur for their efficient assistance in preparing the exhibit and installing it.
