"I will make poems of materials, for I think they are to  
be the most spiritual poems;  
And I will make the poems of the body and of mortality,  
For I think I shall then supply myself with the poems  
of the soul, and of immortality."

WALT WHITMAN.

"The hours when the mind is absorbed by beauty are the  
only hours when we really live, so that the longer we can  
stay among these things, so much the more is snatched from  
inevitable time."

RICHARD JEFFERIES.
