## PREFACE

---

I do not pretend to claim originality for the following one hundred recipes for making dishes that are different, but I guarantee that all have been tried and tested, and care has been taken to see that they are simple and practical.

The illustrations and one-half of the recipes appeared in the Cookery columns of *The Ladies' Home Journal* during the last five years, from whence they have been gathered at the request of many readers, to save reference to back issues not always within reach.

The courtesy of *The Ladies' Home Journal* is acknowledged with sincere thanks for permission to use the pictures and recipes in book form.

MARTON HARRIS NEIL.
