To

Mrs. CAREW

THE apparently endless difficulties against which I have contended, and am contending, in the management of Oscar Wilde's literary and dramatic property have brought me many valued friends; but only one friendship which seemed as endless; one friend's kindness which seemed to annul the disappointments of eight years. That is why I venture to place your name on this volume with the assurance of the author himself who bequeathed to me his works and something of his indiscretion.

ROBERT ROSS

May 12th, 1908.
