I send you today some ads for your excellent paper. I must say that ads in your paper always pay.—CHRIS F. FORGE, Carman, Manitoba.

HEAR YE! Hear Ye! Hear Ye! This is to certify that my advertisements in the Oologist have paid me better than have the combined ads. in most of the amateur and natural science papers. Ads. in the Oologist always bring returns, and it is safe to say that there is no paper having three times the circulation of this widespread periodical which can give equal satisfaction. MORRIS GIBBS, M. D., Kalamazoo, Mich

MAKE MONEY.—By securing a county agency for our New Edition of the Reverable U. S. and World Map. This map is 66x46 in. in size, being the largest one-sheet map published; mounted on sticks ready to hang; eleven beautiful colors. One side shows a grand map of our great country and inset maps of its new possessions. The other side shows an equally good map of the world. On receipt of \$1.25 we will send a sample copy by prepaid express, and will inform you how to obtain a trial agency. Our men clear from \$18.00 to \$35.00 weekly after a month's work. Maps can be returned if not satisfactory. Yours truly, RAND, McNALLY & COMPANY, 160-174 Adams St., Chicago, Ills. 173
