NOTE

THE accomplished author of these short sketches of the life of Jesus had long studied the subject in the full light of modern research, and his own observations in the land of the Gospel story added in no small degree to his special aptitude for the task here attempted. That task was to set forth, as clearly and definitely as possible, a picture of the great Life as it emerges in our day, freed from the dust and distortions of tradition. Mr. Rix's book, *Tent and Testament*, referred to in his own note on p. 2, was published at the close of last year, shortly after his death.
