Wisdom is sometimes like a Geeseberry Pie, vich has a sour feeling unless dare vas plenty of Sugar in it. Nonsensicals vas der Sugar vich helps Peoples to like der taste of our Visdom ven ve roast dem.

In presenting d/s Leedle Book to der Public I vould vish dem dot see it not to let on to my Ackvaltances who is der authorshipper, because ven a man begins to hand his Visdom around to his Friends dey chenerally get ub und hand him around to der Coroner.

Patience is a Virtue seldom found among Friends, und dot is vy I vish to hand ouid my Leedle Slices of Visdom to Strangers mostly.

Even so, I suppose dot some Peoples vill read dese Burning Vords of mine und eggsclaim, "Ach, vot Thomas Rot!" but to dem I say merely, "Fudge!" because to err is human, und to Forgive is from der sublime to der Ridiculous.

Gesundheit!
