PREFACE TO THIRD EDITION.

THE success of previous editions of this Guide has encouraged the Publisher to make this Edition not only the most reliable, but by its abundant illustrations the cheapest book about Bristol ever offered to the public.

May, 1833.

PREFACE TO FIRST EDITION.

THE Preface to a book has been happily likened to the turnpike gate at the entrance of a city.

Bristol has wisely abolished all her "*Pikes*," save one trivial internal impost, and that is doomed. Following her example we discard lengthened apology for producing a *book that was needed*. We have left the beaten, well-worn track, got out of the ruts, and sought to lead our readers pleasantly and profitably through the ancient, royal, and free city and its suburbs.

FOR

GUNS, RIFLES AND AMMUNITION

GO TO

GEORGE GIBBS,

29 CORN STREET, BRISTOL,
