THE ONLY STRICTLY EUROPEAN PLAN AND FIRE-PROOF
HOTEL IN THE CITY

IT IS A RECOGNIZED fact that San Francisco has made from time to time the greatest effort to surpass all other cities in her Hotel accommodations, and it must be conceded that the acme of perfection has now been reached. The California was opened December, 1890, and there is nothing on the Pacific Coast, so far as artistic taste, elegance of appointments and lavish expenditure go, which can compare with it.

The California is unsurpassed in style of service by the best hotels of the United States. Heretofore there has been no strictly European plan hotel in San Francisco. Select music every evening in Restaurant between 6 and 8 P. M. Moderate rates.

A visit to this city is incomplete without seeing The California, unquestionably the most beautiful and luxuriously furnished hotel in America.
