## PREFATORY NOTE.

---

IN accordance with the strongly expressed wish of Professor Schürer, his elaborate and carefully compiled Index has been faithfully reproduced in English for the benefit of students of his *History of the Jewish People in the Time of Jesus Christ*. The need of an Index for so extensive and thorough-going a treatise as that which has now been completed in five English volumes, will be apparent to all who are in any measure acquainted with the work. The English edition has been issued almost contemporaneously with the German, the last two volumes having been translated from proof-sheets forwarded by the author from time to time as the printing of the original advanced.

The figures used in the Index references indicate respectively the Division (I. II.), the volume in each Division (I. i. ii.; II. i. ii. iii.), and the page.

At the end of this volume are given the Additions and Corrections which Professor Schürer wishes to be made to Division II. Those supplied by the author for Division I. are given at the close of vol. ii. of that Division.

JOHN MACPHERSON.
