**THE
MAGIC OF OZ**

— The Famous Oz Books —

Since 1900, when L. Frank Baum introduced to the children of America THE WONDERFUL WIZARD OF OZ and all the other exciting characters who inhabit the land of Oz, these delightful fairy tales have stimulated the imagination of millions of young readers.

These are stories which are genuine fantasy—creative, funny, tender, exciting and surprising. Filled with the rarest and most absurd creatures, each of the 40 volumes which now comprise the series, has been eagerly sought out by generation after generation until today they are known to all except the very young or those who were never young at all.

When, in a recent survey, The New York Times polled a group of teen agers on the books they liked best when they were young, the Oz books topped the list.
