## EPITOME

---

*Mr. and Mrs. Day settled in Michigan in 1836, the year in which it was admitted into the Union. Mr. Day believed he had a mission to weak and struggling churches, and Mrs. Day was equally impressed that in the new country she could share and promote his useful labors by maintaining their home. The following pages illustrate, by sample sketches rather than in biographic detail, how their purpose was carried out. These sketches are culled from a large mass of material furnished by diaries and carefully preserved correspondence*
