**A DISQUISITION ON THE

SHAKESPEARE'S TEMPEST**

WORKS PUBLISHED BY WILLIAM PICKERING,
57, CHANCERY LANE.

Just published, in 2 vols. 4to. Five Guineas.

A NEW DICTIONARY of the ENGLISH LANGUAGE,
BY CHARLES RICHARDSON.

This work consists of two large quarto volumes, upon the composition of which the author has been employed for more than 20 years: and though the expense of publication has exceeded the sum of 6000*l.* it is published at the moderate price of 5 guineas. The two volumes contain nearly 2300 pages of 3 columns each, closely yet clearly and beautifully printed. In this Dictionary equal care has been bestowed upon the Etymologies and Explanation; and also upon the copious selection of quotations in illustration of both:—these are arranged in Chronological series from Wiclif and Chaucer to Burke and Cowper.

**RICHARDSON'S NEW DICTIONARY OF THE
ENGLISH LANGUAGE.**

Abridged, in 1 large volume, 8vo. 18s. cloth.

This Dictionary comprises, as equally essential, the two departments of Etymology and Explanation: the former most carefully and elaborately investigated, and the latter founded, with equal care and labour, upon such results as investigation may discover. This combination, unattempted in all other English dictionaries, will, it is hoped, entitle the book to the character of a *Scholar's Manual*: and at the same time, pre-eminently distinguish it as a book of common reference.

A prospectus, accompanied by a specimen, may be had (gratis) of the Publisher.
