## TRANSLATOR'S NOTE

Our Eternity is a very considerable extension of the essay on Death which was published as a separate work in 1911 and which is now superseded by the present volume. Chapters IV to VIII are entirely new and the author has added largely to all the other chapters. The translation of those portions of the book which have already appeared in print has been revised from end to end.

In the reports of conversations held through mediums at various spiritualistic sittings, I have quoted the ipsissima verba of the speakers.
