### PREFACE TO THIRD EDITION

1827

THE special feature of the present edition is the Bibliography, which has been considerably extended and brought up to date. This Bibliography includes (1) a complete list of Professor Eucken's published works; (2) a list of such translations of these works as have so far appeared (a) in English, (b) in languages other than English; (3) a list of works dealing with the philosophy of Rudolf Eucken.

1911

The author's special thanks are due to the Rev. Dr. W. Tudor Jones for valuable assistance in the compiling of this Bibliography, and to Professor Eucken himself, who has very kindly revised the lists and made many essential corrections and additions.

1911

The frontispiece photograph of the first and second editions has been changed for one of more recent date.

October 3, 1911.
