FOUR.	Adjustment to Temperature.	156
FIVE.	Practical Work of Adjusting	159
	Glossary of Terms	173
	Bibliography	182
	Index	185

TIME

BY *Laurens L. Simpson*

(WRITTEN TO ACCOMPANY THE GIFT OF A WATCH)

•

*I am time.
I come to give thee life
Twenty-four hours of every day,
All this to every man.*

*I tick tick.
I sound in peace, and strife,
In sleep, in work and play,
Forever, on and on.*

*I never change
To good and bad alike.
The rich, the brave, the free
All use me as they may.*

*I am gold
To those who will; to others
Lead, who do not see
The benefit of industry.*

*I am power.
Weak to strong, coward to brave,
Man grows as I move on,
Or not, as will he may.*

(CONTINUED NEXT PAGE)

*I am fame
To those whose light is bright,
Who shine with all their might,
Pure, through day and night.*

*I am happiness
To those who serve and give,
Who help the weak, make known
The unknown, and live.*

*Now or never
Equal chance I give to all,
My days to use or lose,
Here once then gone forever.*
