A Polite Man, whose conduct is regulated by the principles of Religion and Morality is a truly dignified character, and invites our imitation no less by the charms of polished manners than by his unshaken integrity in the general intercourses of life. To assist in the formation of such a character, as far as just precepts and maxims, selected from the best writers will avail to that desirable end, is the object which the editor had in view when he arranged these pages; and he now offers them to the Rising Generation, with a hope that the sentiments they contain will enkindle in their youthful minds a permanent love of Virtue, which, united with a polite education, will be found to be the basis of every thing that is amiable, great, and dignified in man.

ENFIELD'S GENERAL PRONOUNCING DICTIONARY of the ENGLISH LANGUAGE, shewing, at one view, the Orthography, Etymology, Accentuation, and Pronunciation of all the purest and most approved Terms, according to the most eminent Learners, Orators, &c. 4s. 6d.

"To express by letters the nice distinction between sounds is no easy task; but in the work before us, the author has taken no small pains in completion. His scheme of the vowels makes them comprehend twenty-two sounds, and that of the consonants represents their powers to be numerous. We were for the most part pleased with this mode of pronunciation. The paper is good, and the typography is neat."

Monthly Review, Feb. 1838.

"It is but common justice to say, that Mr. Enfield has displayed considerable judgment and great industry in the compilation and arrangement of the useful little volume before us."

Anti-Jacobin Review, Aug. 1837.

CROSBY'S edition of TOMKINS'S POEMS on Various Subjects, selected to cultivate the Practice of virtue, and intended to compile the Beauties of English Poetry. For the use of Schools, 2s. bound. Another elegant Edition, intended for Presents, with Engravings, scissor, 4s. boards.

DR. HUGH BLAIR'S ADVICE TO YOUTH.

The Third Edition, with his Life and other considerable Additions, embellished with a Frontispiece and Woodcuts,

ADVICE TO YOUTH, being a Compendium of the Duties of Human Life in Youth and Manhood, 2s.
