CHARLES ROSS JACKSON & LOUIS F. GRANT

**THE SHERIFF OF
WASCO**

WHAT THE CRITICS SAY OF
THE SHERIFF OF WASCO

By
CHARLES ROSS JACKSON

"The novel is written with a great deal of skill and possesses an abundance of action and dramatic power. It is not always convincing, but it has the commendable faculty of holding the interest until the last word. Louis F. Grant contributes a number of effective illustrations."

—*Philadelphia Press.*

"There are readers whose jaded taste calls for something thrilling. Charles Ross Jackson is the author for their money."

—*Rochester Democrat and Chronicle.*

"Few writers have a better knack of writing swiftly moving stories of adventure than Charles Ross Jackson. He who reads 'The Sheriff of Wasco' for leisure hour pleasure will consider himself fortunate once he has well started its perusal."—*Cleveland Plaindealer.*

"The story presents the criminal phase of life in the West, and describes the deeds of daring and danger performed by 'The Sheriff of Wasco' in his war upon outlaws and desperadoes."—*Toledo Blade.*

"It is a lively story, well told, ingenious and has a somewhat novel twist to the plot, in that the Sheriff makes the girl believe that he is the outlaw and arouses her love and admiration even under these disadvantageous conditions."—*New York Sun.*

"One of the most exciting scenes in the book is the fight between the two men, with none but nature's weapons. It is graphic to an extreme, and the reader is more inclined to cry 'Go it!' than to be repelled by the brutality of it. It forms a fitting close to the story."

—*Chicago Tribune.*

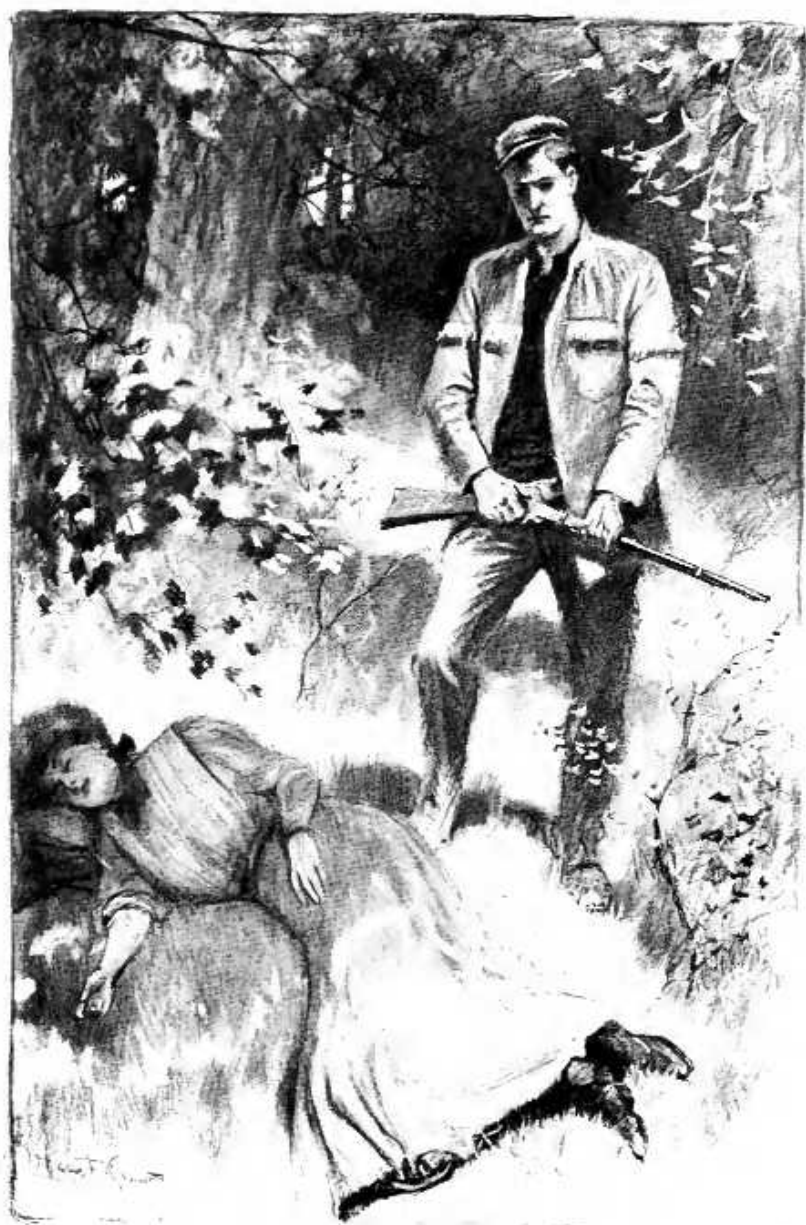

"'The Sheriff of Wasco' is a book to bring back the thrills of boyhood, when deeds of daring had a glamour beyond anything ever dreamed of by the poets. It is a story of adventure in wild Western days."—*New York Tribune.*

"Charles Ross Jackson has told a good story in 'The Sheriff of Wasco,' a yarn with a fascinating plot, extremely interesting characters, and abounding in bits of desperate adventure."—*Boston Globe.*

"We do not know whether 'The Sheriff of Wasco,' by Charles Ross Jackson, has been dramatized or not, but if not it ought to be. There is a great deal of thrilling material in it and plenty of rapid fire action. One of the most vividly described combats ever seen on any stage."—*Philadelphia Inquirer.*

12mo, Cloth bound, Illustrated, \$1.50
